Welcome to Bali James !

Selamat datang di restoran Bali James!

We are delighted to welcome you to Bali James Indonesian restaurant Breda.

As you might have known already, the 'Rijsttafel' is one of the many jewels originated from the 'Tempo Doeloe' era. Dutch colonists used to compose an extensive menu of the most popular and delicious Indonesian dishes to be served to family, friends, and colleagues.

This is how 'Rijsttafel' was born. Each dish is served in a single bowl and the people who could afford it had one servant per dish to serve the food on the table.

The 'Rijsttafel' in its most extensive form could have been composed of up to 35 dishes!

The status of the host could be reflected in the quality and composition of the 'Rijsttafel'.

The variety of food gave each guest plenty choices to enjoy during the event.

We at Bali James are happy to continue this Dutch-Indonesian tradition.

Chef drs. Jimmy Lo Hamzah prepares with lots of love and utmost care, together with his kitchen team, the authentic Indonesian dishes with traditional techniques and his own spice combinations.

All of the dishes can be combined and are in beautiful harmony with each other.

Our menu is authentic Indonesian without concessions yet can be enjoyed by many.

Let us take you on a beautiful journey of mild and spicy, sweet and sour,...

In the spirit of the 'Tempo Doeloe', there is a bit of everything for each and everyone's plate. Whether you dine by yourself, together, or with a whole party, we assure you a delightful time!

Selamat makan.
